**APPLICATION FOR ENGINEERING REVIEW**

Property Address		Block	Lot
Applicant Name		Company Name (if applicable)	
Applicant Address			
Phone Number	Cell Phone Number	Email Address	
Property Owner Name		Property Owner Phone Number	
Describe the proposed improvements in detail: (Include location and dimensions of any demolition or construction)			

**Review Required** (For Office Use Only)  
**Date** \_\_\_\_\_

	<p><b>Flood Plain Review as per Section 213-14B (fee \$275)</b> - Applies to all construction or development within a flood zone. <i>Applicant shall demonstrate that improvements will not hinder or be impacted by floodwaters.</i></p> <p><b>Notes:</b></p>
	<p><b>Stormwater Runoff Review as per Section 361-4 (fee \$250)</b> - Applies to all construction or development that increases impervious cover (i.e. building, pool, patio, driveway, sidewalks). <i>Applicant shall demonstrate that rain and pool waters will be controlled, routed and discharged to location(s) that will not negatively impact surrounding private and public properties.</i></p> <p><b>Notes:</b></p>
	<p><b>Site Grading Review as per Section 421-33 (fee \$250)</b> - Applies to all construction or development involving the removal, placement or movement of soil, including but not limited to soil movement adjacent to newly constructed items, and construction of retaining walls. <i>Applicant shall demonstrate that soil movement and grading near newly constructed items will not encourage erosion, unwanted high or low areas, nor negatively impact surrounding private and public properties.</i></p> <p><b>Notes:</b></p>

See attached Engineering Review Guidelines for specific instructions or as referenced in "Notes" on this sheet.
