

TREE CITY USA®

## CITY OF RAHWAY TREE PLANTING REQUEST FORM

The City of Rahway is looking for sites to plant new trees to help replenish the severe tree loss that we have endured due to the Asian Long Horned Beetle, Hurricane Irene and most recently Superstorm Sandy. If you would like a tree planted in the right of way in front of your home, kindly complete the below form. All sites will be evaluated by our Shade Tree Personnel to make sure it is a viable location.
